

ETS ACTIVATED

SINCE AUGUST 2017

Since September 2017, the Emergency Telecommunications Sector (ETS) Working Group has been coordinating the ICT humanitarian response on the ground.

*In Bangladesh, security telecommunications services are provided by UNDSS to UN Agencies. The ETS is supporting UNDSS in upgrading and expanding existing services and infrastructure.

ETS provides

- 11** UN agencies with security communications services
- 790** data connectivity users from NGOs and UN agencies
- 74** Total connectivity sites to support the refugee response
