

## Emergency Telecommunications Cluster (ETC)

### Iraq Operation, January 2017

The ETC has established security and data telecommunications services for the humanitarian community operating in Iraq. WFP is leading ETC activities in Iraq with responsibility for coordination, implementation and overall operational support for common ICT services. In some locations UNAMI is providing radio services to the UN community.

**Cluster Responsibilities:**  
WFP is leading ETC activities in Iraq in collaboration with UNAMI.

\*The VHF radio services in Iraq are a combination of analogue and digital technology depending on the location.
