Emergency Telecommunications Sector (ets)

EMERGENCY TELECOMMUNICATIONS SECTOR

ETS ACTIVATED
IN OCTOBER 2018

The Emergency Telecommunications Sector (ETS) is planning to provide shared Internet connectivity and security telecommunications-related services to the entire humanitarian community to support their response activities in Libya. The ETS will support the establishment of an inter-agency feedback mechanism to increase accountability to affected populations.

ETS will provide up to

6 Emergency communications support services to humanitarian organizations

3 Common operational areas

PARTNER ORGANIZATIONS

8

Supporting the ETS response in Libya
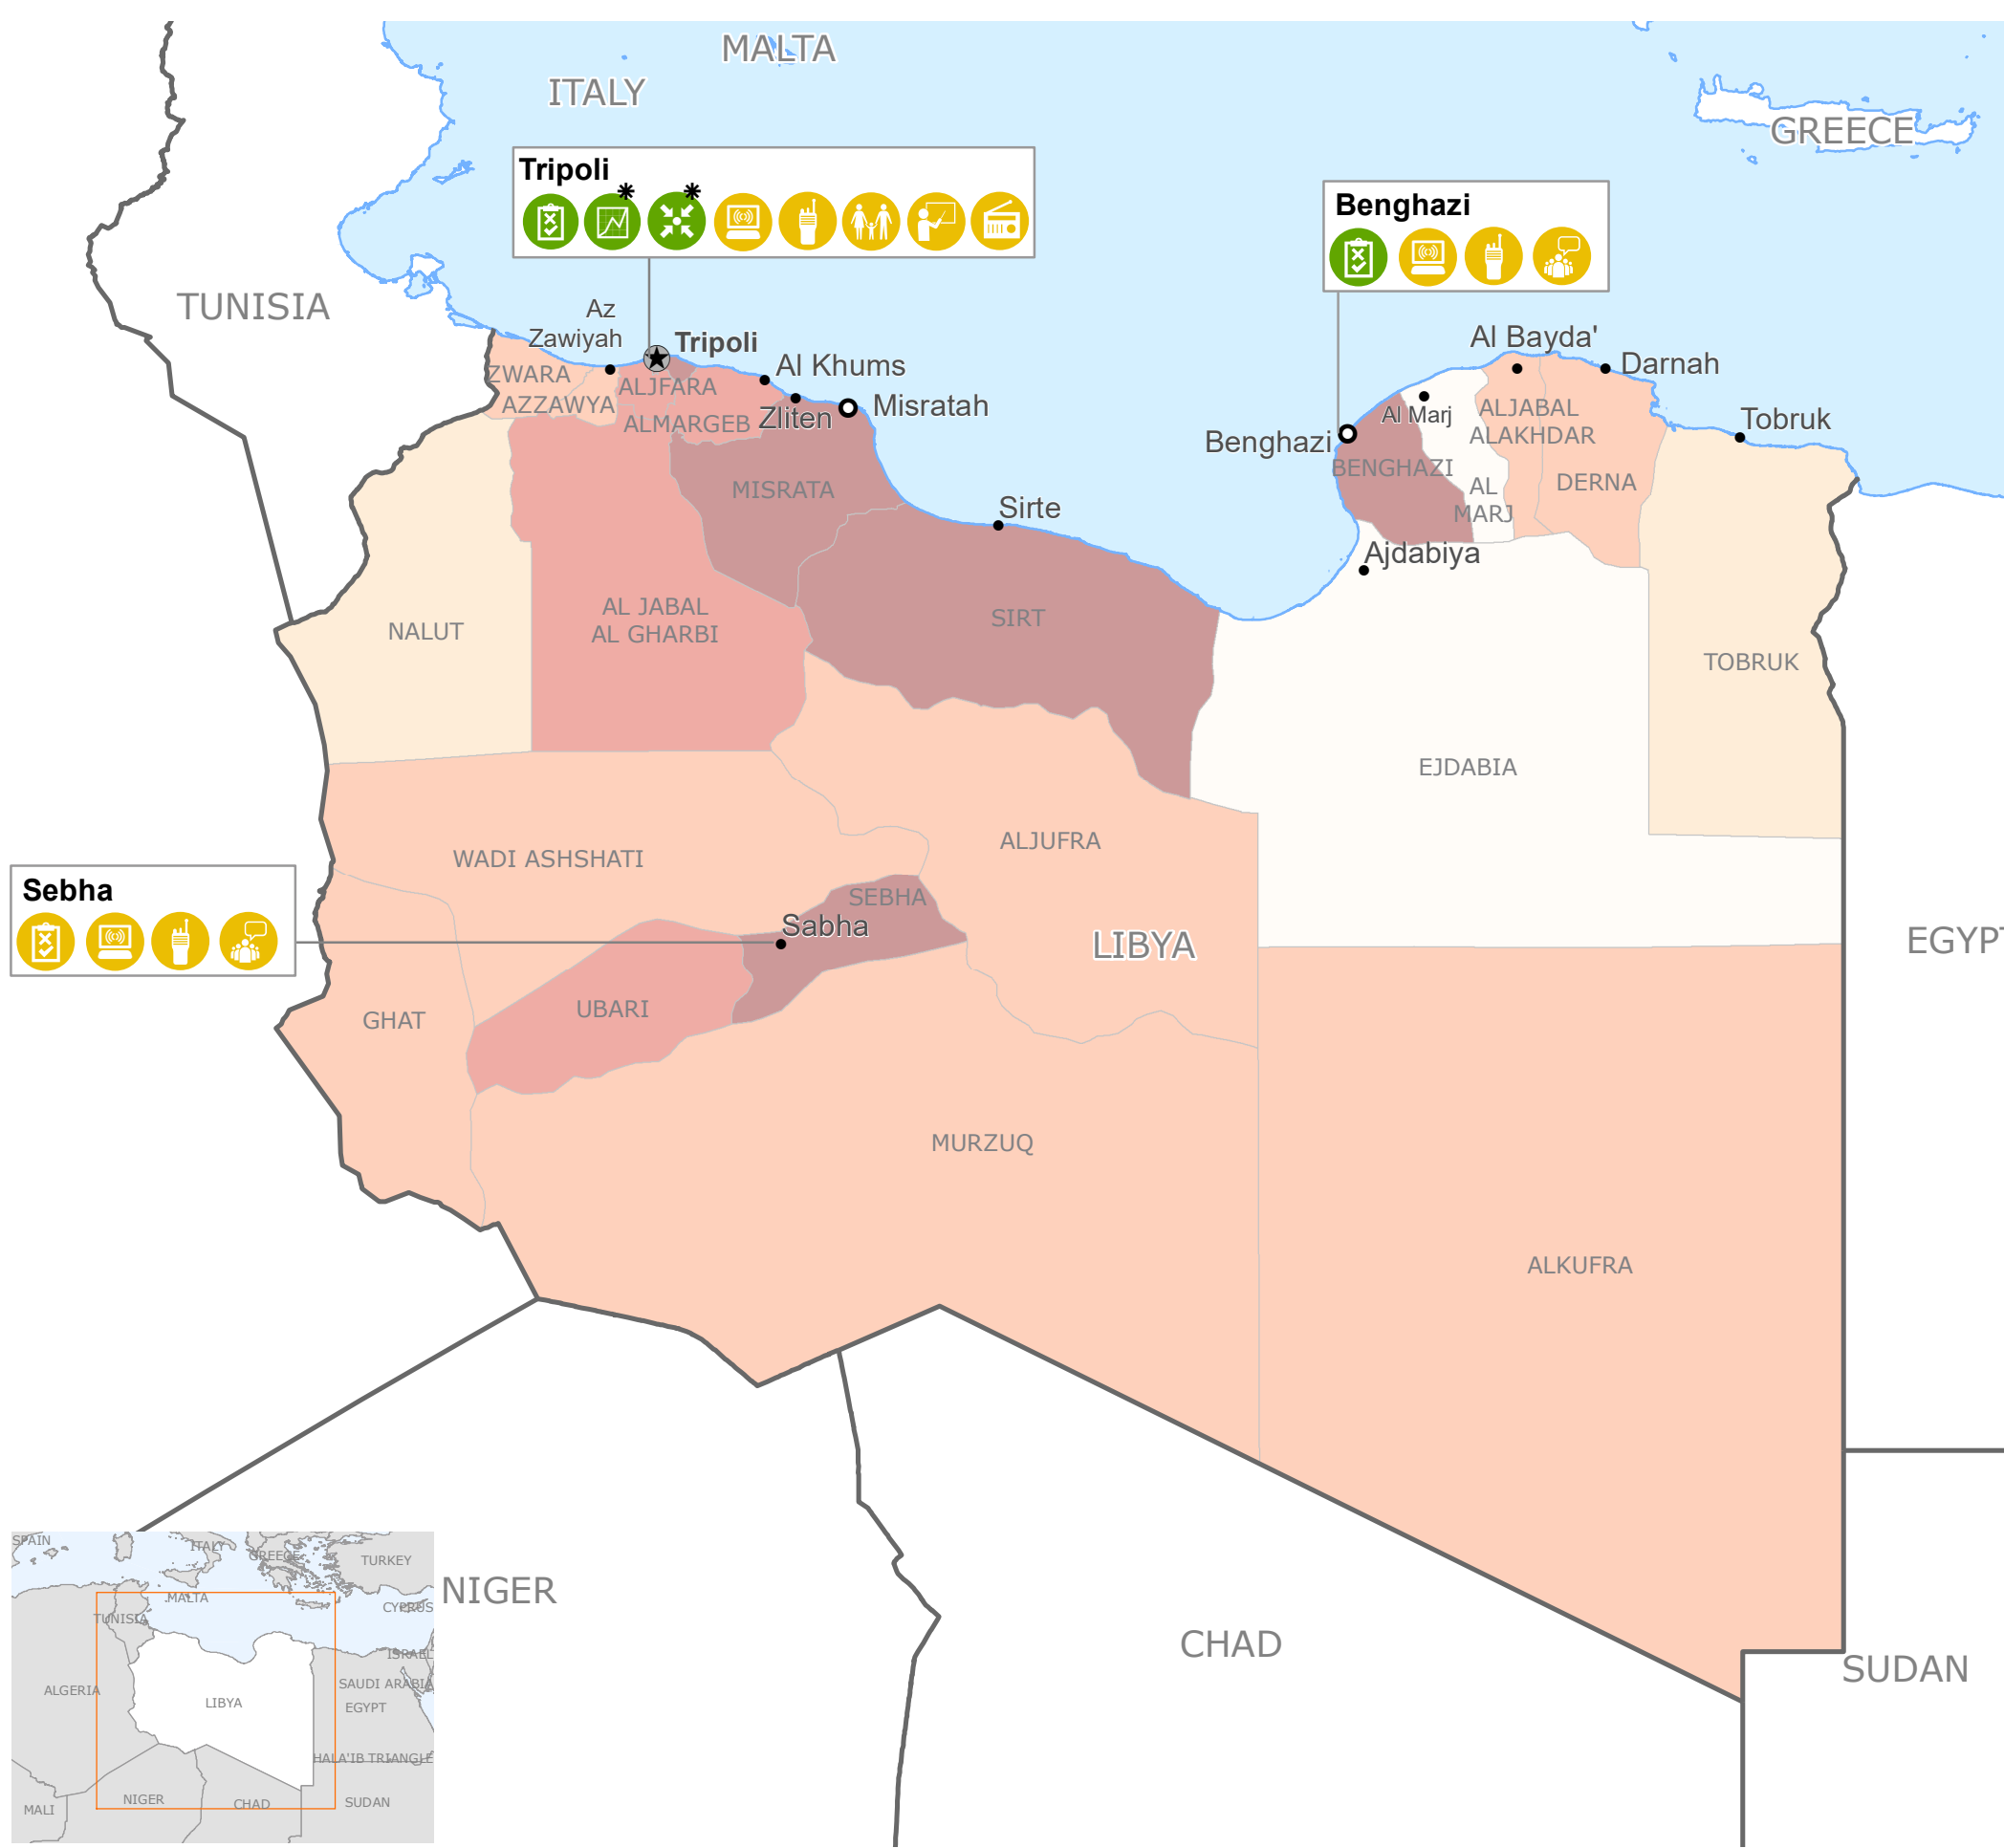

2018 ETS FUNDING APPEAL

100%

Received: USD 550,000

Requirement: USD 550,000

ETS Coordinator: Christopher Alagna

Email: Libya.ETS@wfp.org
