

SOUTH SUDAN

Emergency Telecommunications Cluster (ETC) Republic of South Sudan Operation - May 06, 2014

The ETC was activated in South Sudan in 2011 to provide security and data telecommunications services to the humanitarian community. WFP is leading ETC activities in RoSS with responsibility for coordination, implementation, and overall operational support for common ICT services

Due to ongoing conflict in South Sudan, some ETC services in 'Hotspot Areas' have been temporarily suspended. These will be reinstated once the security situation improves.

- National Capital
- State Capital
- Intermediate Town
- Small Town
- Village
- Hotspot Area
- International Boundary
- State Boundary
