

Emergency Telecommunications Cluster (ETC) Syria Operation, May 2018

The ETC was activated in Syria on 14 January 2013 to provide common telecommunications services to the humanitarian community responding to the crisis both within Syria, and in surrounding countries. Lack of access, insecurity and governmental restrictions complicate efforts to expand ETC services.

- National Capital
- Major Town
- Intermediate Town
- Small Town
- Village
- National Boundary
- - - First level admin boundary
- Surface Waterbody
